## 27. Overview of the entity's material responsible business conduct issues

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format.

| Sr. No | Material issue identified                  | Indicate whether risk or opportunity (R/O) | Rationale for identifying the risk / opportunity                                                                                                                                                                                         | Rationale for identifying the risk / opportunity | Financial implications of the risk or opportunity (Indicate positive or negative implications) |
|--------|--------------------------------------------|--------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------|------------------------------------------------------------------------------------------------|
| 1.     | Access and affordable clean energy for all | Opportunity                                | Your Company's all gas processing equipments are running on gas based engines which use natural gas as fuel. Natural gas is a green form of gas which enables in less carbon emission                                                    | -                                                | Positive                                                                                       |
| 2.     | Human Capital Management                   | Opportunity                                | Your Company recognizes the importance of having a strong human capital, which helps to maintain consistent business growth. Deep takes various initiatives to provide conducive work environment and growth opportunities to employees. | -                                                | Positive                                                                                       |

| Sr. No | Material issue identified | Indicate whether risk or opportunity (R/O) | Rationale for identifying the risk / opportunity                                                                                                                           | Rationale for identifying the risk / opportunity                                                                                                                                                                          | Financial implications of the risk or opportunity (Indicate positive or negative implications) |
|--------|---------------------------|--------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------|
| 3.     | Procurement Risk          | Risk                                       | The Company sees concerns in relation to the Procurement Risk as not being able to procure rightly configured equipments in a timely manner.                               | It is important to identify the risks and take proactive steps to measure, minimize and mitigate them. By continuous training programmes and being updated with latest equipments availability we can mitigate this risk. | Negative                                                                                       |
| 4.     | Dependency on few clients | Risk                                       | Being in to niche services segment related to Oil and Gas Industry where only few companies are present in the Country the Company sees risk of dependency on few clients. | By expanding customer base outside country dependency on few clients can be reduced.                                                                                                                                      | Negative                                                                                       |

## SECTION B: MANAGEMENT AND PROCESS DISCLOSURES

This section is aimed at helping businesses demonstrate the structures, policies and processes put in place towards adopting the NGRBC Principles and Core Elements.

|    |                                                                                                                                      |
|----|--------------------------------------------------------------------------------------------------------------------------------------|
| P1 | Businesses should conduct and govern themselves with integrity, and in a manner that is Ethical, Transparent and Accountable.        |
| P2 | Businesses should provide goods and services in a manner that is sustainable and safe.                                               |
| P3 | Businesses should respect and promote the well-being of all employees, including those in their value chains.                        |
| P4 | Businesses should respect the interests of and be responsive to all its stakeholders.                                                |
| P5 | Businesses should respect and promote human rights.                                                                                  |
| P6 | Businesses should respect and make efforts to protect and restore the environment.                                                   |
| P7 | Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent. |
| P8 | Businesses should promote inclusive growth and equitable development.                                                                |
| P9 | Businesses should engage with and provide value to their consumers in a responsible manner.                                          |

| Punishment      | -               | -                                                                   | -               | -                 | -                                      |

**3. Of the instances disclosed in Question 2 above, details of the Appeal/ Revision preferred in cases where monetary or nonmonetary action has been appealed:**

Not Applicable.

**4. Does the entity have an anti-corruption or anti-bribery policy? If yes, provide details in brief and if available, provide a web-link to the policy:**

DIL has a comprehensive and well-defined Anti Bribery Policy, Code of Conduct and Vigil Mechanism policy which puts great emphasis on practices of anti-corruption and anti-bribery. The Company firmly believes that all the employees shall uphold the principles mentioned in the policy and fulfill their responsibilities with the utmost faith, discretion, and care, upholding the highest standards of honesty, integrity, and fairness. The Policy forbids using bribery or any other unfair advantage to acquire or capacity to ensure or other benefits, either or through indirect means while also forbidding the promise to do so. The policy is available at: <https://www.deepindustries.com/policies.html>.

**5. Number of Directors/KMPs/employees/workers against whom disciplinary action was taken by any law enforcement agency for the charges of bribery/ corruption:**

|           | FY 2024-25 | FY 2023-24 |
|-----------|------------|------------|
| Directors | 0          | 0          |
| KMP       | 0          | 0          |
| Employees | 0          | 0          |
| Workers   | 0          | 0          |

**a. Details of complaints with regard to conflict of interest:**

|                                                                                              | FY 2024-25 |         | FY 2023-24 |         |
|----------------------------------------------------------------------------------------------|------------|---------|------------|---------|
|                                                                                              | Number     | Remarks | Number     | Remarks |
| Number of complaints received in relation to issues of Conflict of Interest of the Directors | 0          | -       | 0          | -       |
| Number of complaints received in relation to issues of Conflict of Interest of the KMPs      | 0          | -       | 0          | -       |

**6. Provide details of any corrective action taken or underway on issues related to fines/penalties/action taken by regulators/ law enforcement agencies/ judicial institutions, on cases of corruption and conflicts of interest:**

Not Applicable as there are no incidents noted.

**7. Number of days of accounts payables ((Accounts payable \*365) / Cost of goods/services procured) in the following format**

|                                     | FY 2024-25 | FY 2023-24 |
|-------------------------------------|------------|------------|
| Number of days of accounts payables | 95         | 97         |

**8. Open-ness of business**

Provide details of concentration of purchases and sales with trading houses, dealers, and related parties along-with loans and advances & investments, with related parties, in the following format:

| Parameter                  | Metrics                                                                                | FY 2024-25                                       | FY 2023-24 |
|----------------------------|----------------------------------------------------------------------------------------|--------------------------------------------------|------------|
| Concentration of Purchases | a. (i) Purchases from trading houses                                                   | Not Applicable as we are in to services business |            |
|                            | (ii) Total Purchases                                                                   |                                                  |            |
|                            | (iii) Purchases from trading house as % of total purchases                             |                                                  |            |
|                            | b. Number of trading houses where purchases are made                                   |                                                  |            |
|                            | c. (i) Purchases from top 10 trading houses                                            |                                                  |            |
|                            | (ii) Total Purchases trading houses                                                    |                                                  |            |
|                            | (iii) Purchases from top 10 trading houses as % of total purchases from trading houses |                                                  |            |
| Parameter                  | Metrics                                                                                | FY 2024-25                                       | FY 2023-24 |
| Concentration of Sales     | a. (i) Sales to dealer/distributors                                                    | Not Applicable as we are in to services business |            |
|                            | (ii) Total Sales                                                                       |                                                  |            |
|                            | (iii) Sales to dealers/distributors as % of total Sales                                |                                                  |            |
|                            | b. Number of dealers/distributors to whom sales are made                               |                                                  |            |
|                            | c. (i) Sales to top 10 dealers/distributors                                            |                                                  |            |
|                            | (ii) Total Sales to dealers/distributors                                               |                                                  |            |
|                            | (iii) Sales to dealers/distributors as % of total sales to dealers/distributors        |                                                  |            |

| Parameter        | Metrics                                                                     | FY 2024-25 | FY 2023-24 |
|------------------|-----------------------------------------------------------------------------|------------|------------|
| Share of RPTs in | a) Purchases (Purchases with related parties) as % of total Purchases       | 4.92       | 8.60       |
|                  | b) Sales (Sales to related parties as % of Total Sales)                     | 2.78       | 3.30       |
|                  | c) Loans & Advances given to related parties as % of total loans & advances | 73.04      | 100        |
|                  | d) Investments in related parties as % of total investments made            | 5.98       | 5.06       |

**PRINCIPLE 2: BUSINESSES SHOULD PROVIDE GOODS AND SERVICES IN A MANNER THAT IS SUSTAINABLE AND SAFE****Essential Indicators****1. Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively:**

Nil.

**2. a. Does the entity have procedures in place for sustainable sourcing? (Yes/No)**

Yes, during the year, the Company has developed a process for selection of suppliers and third parties which includes various parameters such as guidelines on Environment Health & Safety Policy, Legal Compliance, ISO Certification, etc.

**b. If yes, what percentage of inputs were sourced sustainably?**

0%, The company is yet to start categorizing its sustainably sourced input materials, however shall start doing so in the upcoming years.

**3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.**

A. Plastic Waste: Product recycling is not practiced in this sector. The product portfolio consists mainly of crude oil, natural gas and value-added products which cannot be recycled.

B. E waste: Since the company is in the service industry the company does not have any reportable E waste.

C. Hazardous waste: Since the company is in the service industry the company does not have any reportable Hazardous waste.

D. Other waste: Since the company is in the service industry the company does not have any reportable other waste.

**4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes/No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same**

No.

**PRINCIPLE 3: BUSINESSES SHOULD RESPECT AND PROMOTE THE WELL-BEING OF ALL EMPLOYEES, INCLUDING THOSE IN THEIR VALUE CHAINS**
**Essential Indicators**
**1. a. Details of measures for the well-being of employees:**

| Category                       | % of employees covered by |                  |            |                    |            |                    |            |                    |            |                     |            |
|--------------------------------|---------------------------|------------------|------------|--------------------|------------|--------------------|------------|--------------------|------------|---------------------|------------|

**3. Accessibility of workplace**

Are the premises/offices of the entity accessible to differently abled employees and workers, as per the requirements of the Rights of Persons with Disabilities Act, 2016? If not, whether any steps are being taken by the entity in this regard.

Most of our working locations are accessible to differently abled persons.

**4. Does the entity have an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016? If so, provide a web-link to the policy**

No.

**5. Return to work and Retention rates of permanent employees and workers that took parental leave.**

| Gender | Permanent employees |                | Permanent Workers   |                |
|--------|---------------------|----------------|---------------------|----------------|
|        | Return to work rate | Retention Rate | Return to work rate | Retention Rate |
| Male   | -                   | -              | -                   | -              |
| Female | -                   | -              | -                   | -              |
| Total  | -                   | -              | -                   | -              |

**6. Is there a mechanism available to receive and redress grievances for the following categories of employees and worker? If yes, give details of the mechanism in brief.**

|                                | Yes/No (If yes, then give details of the mechanism in brief) |
|--------------------------------|--------------------------------------------------------------|
| Permanent Workers              | Yes                                                          |
| Other than Permanent Workers   |                                                              |
| Permanent Employees            |                                                              |
| Other than Permanent Employees |                                                              |

Employees are encouraged to share their concerns with their reporting managers, the HR department and members of the Senior Leadership Team.

The concern received, if any, is investigated by the authorized persons by gathering, validating and analyzing the data. The observations and findings / recommendations are shared and reviewed by the Chairman & Managing Director.

**7. Membership of employees and worker in association(s) or Unions recognized by the listed entity**

| Category                         | FY 2024-25                                         |                                                                                              |         | FY 2023-24                                         |                                                                                              |         |

**10. Health and safety management system:**

- a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/ No). If yes, the coverage such system?**

Yes. The Health & Safety Management system covers activities across all plant locations, offices, and ensures the protection of environment, health & safety of its employees, contractors, visitors and all other relevant stakeholders.

- b. What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?**

The Company has a process for Risk Management which is essential for preventing incidents, injuries, occupational disease, emergency control & prevention and business continuity. Considering the hazards associated with operations and hazardous chemicals used, sites have deployed structured Hazard Assessment, Risk Assessment and Management Process – both qualitative and quantitative which is regularly reviewed and mitigation plans are put in place for high-risk areas. The process also considers roles and responsibilities, monitoring control measures, competency training and awareness of individuals associated with such activities. Formal risk assessment training has been provided as appropriate.

- c. Whether you have processes for workers to report the work-related hazards and to remove themselves from such risks (Y/N)?**

Yes, we encourage our employees to report near-miss incidents identified through various digital platforms which is analyzed from a central repository. All sites have specific procedure for reporting of work-related hazard, injuries, unsafe condition and unsafe act.

- d. Do the employees/ worker of the entity have access to non-occupational medical and healthcare services? (Yes/ No)**

Yes, all employees are covered under Mediclaim Insurance Policy.

**11. Details of safety related incidents, in the following format:**

| Safety incidents Number                                                   | Category  | FY 2024-25 | FY 2023-24 |

| High consequence work related injury or ill health (excluding fatalities) | Employees | -          | -          |
|                                                                           | Workers   | -          | -          |

**12. Describe the measures taken by the entity to ensure a safe and healthy work place**

The Company is committed to continuously employing world-class Safety, Health and Environment ('SHE') practices through benchmarking with the Companies that are best in the business. For all activities including routine or non-routine (permit / project activities) hazards are identified by a trained cross-functional team and risk assessment and management is done through Job Safety Analysis (JSA)/ Standard Operating Procedure (SOP) which is referred before starting any activity. Moreover, Safety Audit is conducted at all manufacturing sites to identify and rectify the gaps in workplace safety.

**13. Number of Complaints on the following made by employees and workers:**

| Particulars        | FY 2024-25            |                                           |         | FY 2023-24            |                                           |         |
|--------------------|-----------------------|-------------------------------------------|---------|-----------------------|-------------------------------------------|---------|
|                    | Filed during the year | Pending resolution at the end of the year | Remarks | Filed during the year | Pending resolution at the end of the year | Remarks |
| Working Conditions | -                     | -                                         | NA      | -                     | -                                         | NA      |
| Health & Safety    | -                     | -                                         | NA      | -                     | -                                         | NA      |

**14. Assessments for the year:**

| Particulars                 | % of your plants and offices that were assessed (by the entity) |
|-----------------------------|-----------------------------------------------------------------|
| Health and safety practices | 100                                                             |
| Working Conditions          | 100                                                             |

**15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks/concerns arising from assessments of health & safety practices and working conditions.**

Nil

**PRINCIPLE 4: BUSINESSES SHOULD RESPECT THE INTERESTS OF AND BE RESPONSIVE TO ALL THEIR STAKEHOLDERS****Essential Indicators****1. Describe the processes for identifying key stakeholder groups of the entity:**

Through stakeholder engagement and feedback mechanisms, the company aims to identify its key stakeholders. This process would enable the company to better comprehend the concerns and interests of its stakeholders, allowing DIL to align the purpose and scope of the engagement accordingly. By actively seeking and incorporating feedback, DIL looks to foster a deeper understanding of the company's stakeholders' perspectives, by ensuring that their feedback is considered in the decision-making processes.

## 2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group:

| Stakeholder Group                   | Whether identified as Vulnerable & Marginalized Group                                  | Channels of communication                                                                                                           | Frequency of engagement | Purpose and scope of engagement including key topics and concerns raised during such engagement                                                                                                |
|-------------------------------------|----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Investors, Lenders and Shareholders | This group is not classified as vulnerable or marginalised.                            | Investor presentations, general meetings, annual general meetings (AGMs), quarterly result calls, and dedicated email communication | Annually, Quarterly     | Provide transparency on its financial performance and strategic directions by regularly communicating financial results governance practices and risk management measures to its stakeholders. |
| Employees and Workers               | Certain groups or contractual workers, are considered vulnerable within this category. | Training sessions, plant-level meetings                                                                                             | Annually, Quarterly     | Ensure employee wellbeing, skill development. This engagement also aims to maintain workplace safety, career growth, health benefits and Diversity & inclusion.                                |

## PRINCIPLE 5: BUSINESSES SHOULD RESPECT AND PROMOTE HUMAN RIGHTS

#### b. Gross Wages paid to Females:

| Gross wages paid to females as % of total wages | FY 2024-25 | FY 2023-24 |
|-------------------------------------------------|------------|------------|
|                                                 | 6.05       | 6.74       |

### 4. Do you have a focal point (Individual/ Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? (Yes/No)

Yes, DIL is deeply committed to upholding and promoting high standards of human rights throughout all its operations. As an integral part of the company's corporate responsibility, the Works Council diligently ensures strict adherence to human rights principles.

DIL firmly believes in upholding the dignity and individual rights of every employee, worker, and external stakeholder with whom DIL engages in its businesses. It is DIL's unwavering commitment to ensure that none of its operations infringe upon the human rights of its valued stakeholders. The company strives to create a respectful and inclusive environment for fostering the overall well-being within the organization.

### 5. Describe the internal mechanisms in place to redress grievances related to human rights issues:

DIL prioritizes the well-being and rights of all individuals associated with the company. The company has established a robust grievance redressal mechanism specifically designed to promptly and effectively address any human rights issues that may arise. DIL encourages open communication and provides multiple channels for employees and stakeholders to report concerns or seek assistance. A dedicated team is committed to thoroughly investigating and resolving grievances in a fair and impartial manner, while maintaining the utmost confidentiality. The Company strives to continuously improve its grievance redressal process to ensure a safe and respectful environment for everyone.

**7. Complaints filed under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, in the following format:**

|                                                                                                                           | FY 2024-25 | FY 2023-24 |
|---------------------------------------------------------------------------------------------------------------------------|------------|------------|
| Total complaints reported under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 | -          | -          |
| Average number of female employees/workers at the beginning of the year and as at the end of the year                     | 48         | 46         |
| Complaints on POSH as a % of female employees/workers                                                                     | -          | -          |
| Complaints on POSH upheld                                                                                                 | -          | -          |

**8. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases:**

DIL maintains a zero-tolerance policy towards any form of sexual harassment in the workplace. To address this issue, the company has implemented a comprehensive grievance resolution procedure under its POSH policy for ensuring effective resolution of employee complaints. DIL has also established a stringent Code of Conduct and HR Policy Manual that clearly outline expectations for appropriate employee behaviour and provide measures for the prevention and redressal of such complaints. All employees and new joiners are provided PoSH training not only during induction but also at regular intervals during their lifetime at DIL.

To ensure a prompt and confidential resolution process, DIL has established Internal Complaints Committee dedicated to monitoring and addressing complaints related to harassment. This committee is responsible for taking appropriate action in a timely manner while maintaining the utmost confidentiality.

**9. Do human rights requirements form part of your business agreements and contracts? (Yes/No):**

Yes; At DIL, all the business agreements and contracts carry the clauses of human rights for promoting sustainable, fair and equitable competition for all its stakeholders.

**10. Assessments for the year:**

The Company ensures compliance with applicable labour practice laws, including child labour and human rights issues.

|                             |      |
|-----------------------------|------|
| Child Labour                | 100% |
| Forced/involuntary labour   | 100% |
| Sexual Harassment           | 100% |
| Discrimination at workplace | 100% |
| Wages                       | 100% |
| Others-please specify       | NA   |

**11. Provide details of any corrective actions taken or underway to address significant risks/concerns arising from the assessments at Question 10 above**

Not Applicable

**PRINCIPLE 6: BUSINESSES SHOULD RESPECT AND MAKE EFFORTS TO PROTECT AND RESTORE THE ENVIRONMENT****Essential Indicators****1. Details of total energy consumption (in Joules or multiples) and energy intensity, in the following format:**

| Parameter                                                                                                                                                     | Unit      | FY 2024-25       | FY 2023-24       |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|------------------|------------------|
| Total electricity consumption (A)                                                                                                                             | GJ        | 741.12           | 814.84           |
| Total fuel consumption (B)                                                                                                                                    | GJ        | 130943           | 114141           |
| Energy consumption through other sources (C)                                                                                                                  | GJ        | -                | -                |
| <b>Total energy consumption (A+B+C)</b>                                                                                                                       | <b>GJ</b> | <b>131684.12</b> | <b>114955.84</b> |
| <b>Energy intensity per rupee of turnover</b><br>(Total energy consumption/ turnover in rupees)                                                               | GJ/INR    | 0.0000275791     | 0.0000301003     |
| <b>Energy intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP)</b><br>(Total energy consumed/ Revenue from operations adjusted for PPP) | GJ/INR    | 0.000569783      | 0.000621871      |
| <b>Energy intensity in terms of physical output</b>                                                                                                           | GJ/INR    | -                | -                |

\* Purchasing power parity for 31.03.2025 is 20.66 for India as per [www.imf.org](http://www.imf.org). Therefore the data of 2023-24 has been restated

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency. (Y/N) If yes, the name of the external agency"

No.

**2. Does the entity have any sites/facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any:**

No.

**3. Provide details of the following disclosures related to water, in the following format:**

| Parameter                                                                                                                                               | FY 2024-25  | FY 2023-24  |
|---------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|-------------|
| Water withdrawal by source (in kilolitres)                                                                                                              | -           | -           |
| (i) Surface Water                                                                                                                                       | -           | -           |
| (ii) Ground Water                                                                                                                                       | 2,52,377    | 1,15,000    |
| (iii) Third Party Water                                                                                                                                 | 14,314      | 81,000      |
| (iv) Seawater/desalinated water                                                                                                                         | -           | -           |
| (v) Others                                                                                                                                              | -           | -           |

| Water Intensity in terms of physical output                                                                                                             | -           | -           |

\* Purchasing power parity for 31.03.2025 is 20.66 for India as per [www.imf.org](http://www.imf.org). Therefore the data of 2023-24 has been restated.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency. (Y/N) If yes, the name of the external agency.

No

## 4. Provide the following details related to water discharged:

| Parameter                                                                     | FY 2024-25 | FY 2023-24 |
|-------------------------------------------------------------------------------|------------|------------|
| <b>Water discharged by destination and level of treatment (in Kilometers)</b> | -          | -          |
| (i) To Surface water                                                          | -          | -          |
| No Treatment                                                                  | -          | -          |
| With Treatment-please specify the level of treatment                          | -          | -          |
| (ii) To Groundwater                                                           | -          | -          |
| No Treatment                                                                  | -          | -          |
| With Treatment-please specify the level of treatment                          | -          | -          |
| (iii) Sent to Third party water                                               | -          | -          |
| No Treatment                                                                  | -          | -          |
| With Treatment-please specify the level of treatment                          | -          | -          |
| (iv) To Seawater/ desalinated water                                           | -          | -          |
| No Treatment                                                                  | -          | -          |
| With Treatment-please specify the level of treatment                          | -          | -          |
| (v) Others                                                                    | -          | -          |
| No Treatment                                                                  | -          | -          |
| With Treatment-please specify the level of treatment                          | -          | -          |
| Total water discharged (in kiloliters)                                        | -          | -          |

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency. (Y/N) If yes, the name of the external agency.

No

## 5. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation:

Not Applicable.

## 6. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format:

| Parameter                           | Unit  | FY 2024-25 | FY 2023-24 |
|-------------------------------------|-------|------------|------------|
| NOx                                 | Tonne | 182.41     | 159        |
| Sox                                 | KG    | -          | -          |
| Particulate matter (PM)             | KG    | 30.92      | 34         |
| Persistent organic pollutants (POP) | KG    | -          | -          |
| Volatile organic compounds (VOC)    | KG    | -          | -          |
| Hazardous air pollutants (HAP)      | KG    | -          | -          |
| Others – please Specify             | KG    | -          | -          |

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency. (Y/N) If yes, the name of the external agency.

No

## 7. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) &amp; its intensity, in the following format:

| Parameter                                                                                                                                                                       | Unit                                | FY 2024-25   | FY 2023-24   |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------|--------------|--------------|
| <b>Total Scope 1 emissions</b><br>(Break-up of the GHG into CO <sub>2</sub> , CH <sub>4</sub> , N <sub>2</sub> O, HFCs, PFCs, SF <sub>6</sub> , NF <sub>3</sub> , if available) | Metric tonnes<br>Of CO <sub>2</sub> | 9237         | 8050         |
| <b>Total Scope 2 emissions</b><br>(Break-up of the GHG into CO <sub>2</sub> , CH <sub>4</sub> , N <sub>2</sub> O, HFCs, PFCs, SF <sub>6</sub> , NF <sub>3</sub> , if available) | Metric tonnes<br>Of CO <sub>2</sub> | -            | -            |
| <b>Total Scope 1 and Scope 2 emissions per rupee of turnover</b>                                                                                                                | Metric tonnes<br>Of CO <sub>2</sub> | 0.0000019345 | 0.0000021078 |

| Parameter                                                                                                         | Unit                      | FY 2024-25   | FY 2023-24   |
|-------------------------------------------------------------------------------------------------------------------|---------------------------|--------------|--------------|
| <b>Total Scope 1 and Scope 2</b><br>Emission intensity per rupee of turnover adjusted for purchasing power parity | Metric Tonnes of CO2/ INR | 0.0000399588 | 0.0000435477 |
| <b>Total Scope 1 and Scope 2 emissions intensity in terms of physical output</b>                                  | Metric tonnes Of CO2      | -            | -            |
| <b>Total Scope 1 emissions</b><br>(Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)    | Metric tonnes Of CO2      | -            | -            |

\* Purchasing power parity for 31.03.2025 is 20.66 for India as per [www.imf.org](http://www.imf.org). Therefore the data of 2023-24 has been restated. above this.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency. (Y/N) If yes, the name of the external agency.

No

**8. Does the entity have any project related to reducing Greenhouse Gas emissions? If Yes, then provide details.**

No, however the company shall aim to undertake initiatives to reduce its GHG emissions in the upcoming years.

**9. Provide details related to waste management by the entity in the following format**

| Parameter                                                                                                                                      | 2024-25 | 2023-24 |
|------------------------------------------------------------------------------------------------------------------------------------------------|---------|---------|
| <b>Total Waste generated (in metric tonnes)</b>                                                                                                |         |         |
| Plastic waste (A)                                                                                                                              | -       | -       |
| E-waste (B)                                                                                                                                    | -       | -       |
| Bio-medical waste (C)                                                                                                                          | -       | -       |
| Construction and demolition waste (D)                                                                                                          | -       | -       |
| Battery waste (E)                                                                                                                              | -       | -       |
| Radioactive waste (F)                                                                                                                          | -       | -       |
| Other Hazardous waste. Please specify, if any. (G)                                                                                             | -       | -       |
| Other Non-hazardous waste generated (H). Please specify, if any (Break-up by composition i.e. by materials relevant to the sector)             | -       | -       |
| <b>Total</b>                                                                                                                                   | -       | -       |

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency. (Y/N) If yes, the name of the external agency.

No

**10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes:**

DIL primarily focuses on waste management through structured waste segregation based on its characteristics, storage and disposal, waste to energy recovery and converting it into a saleable product as feasible. DIL follows all applicable regulations for proper waste management, including its handling, storage, transportation and disposal. The Company has developed a robust system with comprehensive detailing of each waste from the source of generation to disposal or recycling and reuse. The Company is fully committed to environment-friendly disposal of hazardous and non-hazardous waste, ensuring that it does not deteriorate any resources.

**11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals/ clearances are required, please specify details in the following format:**

Not Applicable as none of the offices and plants are set up in/around ecologically sensitive areas.

**12. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:**

DIL has not undertaken any environmental impact assessments in the current financial year.

**13. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N/NA). If not, provide details of all such non-compliances, in the following format:**

Not Applicable.

**PRINCIPLE 7: BUSINESSES, WHEN ENGAGING IN INFLUENCING PUBLIC AND REGULATORY POLICY, SHOULD DO SO IN A MANNER THAT IS RESPONSIBLE AND TRANSPARENT**

**Essential Indicators**

**1. a. Number of affiliations with trade and industry chambers/ associations:**

Yes. The Company has association with several trade chambers and associations such as:

**i). Federation of Gujarat Chambers of Commerce and Industry**

**a. List the top 10 trade and industry chambers/ associations (determined based on the total members of such body) the entity is a member of/ affiliated to.**

| Sr.<br>No | Name of the trade and industry chambers/ associations   | Reach of trade and industry chambers/ associations<br>(State/National) |
|-----------|---------------------------------------------------------|------------------------------------------------------------------------|
| 1.        | Federation of Gujarat Chambers of Commerce and Industry | State                                                                  |

**2. Provide details of corrective action taken or underway on any issues related to anti-competitive conduct by the entity, based on adverse orders from regulatory authorities:**

None.

**PRINCIPLE 8: BUSINESSES SHOULD PROMOTE INCLUSIVE GROWTH AND EQUITABLE DEVELOPMENT**

**Essential Indicators**

**1. Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year:**

Not Applicable.

**2. Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity:**

Not Applicable.

**3. Describe the mechanisms to receive and redress grievances of the community:**

DIL is deeply committed to being a responsible corporate citizen and maintaining positive relationships with the communities in which it operates. As part of its ongoing efforts to ensure transparency and accountability, the company shall set up a grievance

redressal mechanism for the communities it operates in. It will serve as a platform for community members to voice their concerns, provide feedback, and seek resolution regarding any issues related to its operations. DIL understands the importance of actively engaging with and addressing the concerns of the communities it works with, and this mechanism will play a vital role in fostering open dialogue and building trust.

**4. Percentage of input material (inputs to total inputs by value) sourced from suppliers:**

| Particulars                                                         | FY 2024-25 | FY 2023-24 |
|---------------------------------------------------------------------|------------|------------|
| Directly sourced from MSMEs/ small producers                        | 14.02      | 15.14      |
| Sourced directly from within the district and neighboring districts | -          | -          |

**5. Job creation in smaller towns – Disclose wages paid to persons employed (including employees or workers employed on a permanent or non-permanent / on contract basis) in the following locations, as % of total wage cost**

| Location     | FY 2024-25 | FY 2023-24 |
|--------------|------------|------------|
| Rural        | 49.09      | 34.63      |
| Semi-urban   | 24.54      | 28.12      |
| Urban        | 5.89       | 7.66       |
| Metropolitan | 20.48      | 29.59      |

**PRINCIPLE 9: BUSINESSES SHOULD ENGAGE WITH AND PROVIDE VALUE TO THEIR CONSUMERS IN A RESPONSIBLE MANNER**

**Essential Indicators**

**1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback**

DIL has established a robust mechanism to effectively address and resolve consumer complaints. The company's dedicated marketing department serves as the focal point of contact for such complaints. Depending on the nature and specifics of each complaint, they are promptly forwarded to the Quality department.

DIL places great importance on addressing consumer complaints in a timely and efficient manner. DIL's highly skilled and experienced Quality team diligently investigates and evaluates each complaint to determine the appropriate course of action.

DIL is committed to maintaining the highest standards of product quality to meet the customer's expectations. Through the consumer complaint resolution mechanism, the company strives to continuously improve its products and services, and further strengthen the bonding with valued customers.

**2. Turnover of products and/ services as a percentage of turnover from all products/service that carry information about:**

|                                                             | As a percentage to total turnover |
|-------------------------------------------------------------|-----------------------------------|
| Environmental and social parameters relevant to the product |                                   |
| Safe and responsible usage                                  | -                                 |
| Recycling and/or safe disposal                              |                                   |

**3. Number of consumer complaints in respect of the following:**

|                                | FY 2024-25               |                                   | Remarks | FY 2023-24               |                                   | Remarks |
|--------------------------------|--------------------------|-----------------------------------|---------|--------------------------|-----------------------------------|---------|
|                                | Received during the year | Pending resolution at end of year |         | Received during the year | Pending resolution at end of year |         |
| Advertising                    | -                        | -                                 | -       | -                        | -                                 | -       |
| Advertising                    | -                        | -                                 | -       | -                        | -                                 | -       |
| Cyber-security                 | -                        | -                                 | -       | -                        | -                                 | -       |
| Delivery of essential services | -                        | -                                 | -       | -                        | -                                 | -       |
| Restrictive Trade Practices    | -                        | -                                 | -       | -                        | -                                 | -       |
| Unfair Trade Practices         | -                        | -                                 | -       | -                        | -                                 | -       |
| Other                          | -                        | -                                 | -       | -                        | -                                 | -       |

**4. Details of instances of product recalls on account of safety issues:**

| Particulars       | Number | Reasons for recall                    |
|-------------------|--------|---------------------------------------|
| Voluntary recalls | -      | No Instances related to safety issues |
| Forced recalls    | -      | No Instances related to safety issues |

**5. Does the entity have a framework/ policy on cyber security and risks related to data privacy? If available, provide a web link of the policy:**

No such policy has been framed.

**6. Provide details of any corrective actions taken or underway on issues relating to advertising, and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty/action taken by regulatory authorities on safety of products/services:**

Deep maintains a robust cybersecurity framework to protect customer data and ensures privacy. While no specific incidents are reported, the company continuously enhances its information security protocols, including secure data handling and access controls.

**7. Provide the following information relating to data breaches:**

- a. Number of instances of data breaches- Nil
- b. Percentage of data breaches involving personally identifiable information of customers- Nil
- c. Impact, if any, of the data breaches- Nil
